

Sales Turnover Policy is a highly flexible and customizable marine insurance cover. Instead of covering a particular type of transit, this policy can cover all the transits that are required to achieve a sales. Hence the policy can cover:

- Domestic Purchase of raw material, consumable & stores
- Imports
- Inter-Factory, Inter-Warehouse or Inter-Depot transfer
- To & Fro job work movements
- Domestic sales
- Export Sales

The sum insured in the policy is the expected annual sales turnover.

**The benefits of Sales Turnover Policy are:**

- Sizeable saving in premium
- Seamless cover with all movement of goods covered
- No hassles of submitting periodical declaration of movements
- Intermediate storage cover can be built into the policy
- Facility for quarterly or half yearly premium payment
